## Case Study : The Boys' and Girls' Clubs Association of Hong Kong

The mission of BGCA ([www.bgca.org.hk](http://www.bgca.org.hk)) is to help children and youth attain well-balanced moral, intellectual, physical, social and aesthetic development. .

Through TechSoup Global Partner, HKCSS, BGCA received Microsoft products:

- SharePoint Server 2007
- Exchange Server 2007
- SQL Server 2005
- Windows Server User CAL
- Exchange Server User CAL
- Business Scorecard Manager 2005

These donations gave The Boys' and Girls' Clubs Association of Hong Kong numerous benefits, including:

- Fast track current projects, such as, Exchange Server 2007 upgrade.
- Provide Web Outlook Access and push mail service for high mobility employees.
- Allow set up of testing environment to deploy Sharepoint as knowledge management platform.
