

EXPERIENCING THE ELEMENTS

„The IT donation gave our nonprofit organization more financial leeway for improvements of the exhibit area for families with children.“

Dr. Matthias Strasser,
 Managing Director,
 Erlebniszentrum
 Naturgewalten Sylt gGmbH

NAME OF ORGANIZATION
 Erlebniszentrum
 Naturgewalten Sylt gGmbH

The Erlebniszentrum Naturgewalten Sylt (The Sylt Center of Experiencing the Elements) engages its visitors in the diversity, beauty, and the protection of the island Sylt and the national park “Wattenmeer” with its year-round exhibit. It also aims to showcase the current state of oceanography and to illustrate the significance of the elements in this region.

FOCUS
 Exhibition and
 knowledge transfer

Spread across 1,500 square meters, exhibits offer many interactive elements and opportunities to learn while playing. The three main sections explore the topics *Forces of the North Sea*, *Living with the Elements* and *Climate, Weather, Climate Research* in an entertaining and exciting way.

PRODUCTS RECEIVED
 Extensive Microsoft
 software package

Stifter-helfen.de – IT for Nonprofits provided Erlebniszentrum Naturgewalten Sylt with an extensive Microsoft software package consisting of Windows Server 2008 Enterprise Edition, Exchange Server 2007 Enterprise Edition, Exchange Server Device CAL – Enterprise, Office Professional Plus 2007 and Windows Terminal Services Device CAL.

RESULTS
 Better coordination of
 appointments

The IT donations helped facilitate the coordination of appointments at the Erlebniszentrum. In addition, they helped accelerate the communication and
